Storytime – Christmastime

The **Storytime** and **Christmastime** series have been designed to supplement all courses and motivate learners to explore English as a foreign language. Both series enhance receptive skills through reading and listening, but also gradually introduce the development of productive skills through the accompanying activities and the production of each story as a play (optional).

The stories present a great variety of classic and original tales, all of which have something more to teach than the language itself.

The Teacher's Edition includes the directions for the staging of each story as a play, tips on how to make the props and costumes, as well as drama activities which can be used to prepare learners for the wonderful world of drama.
